Clarification Meeting Regarding Registration of OEMs/Manufacturers/Assemblers for Provision of Electric 2-Wheelers

Date: 7 April 2026
Time: 11:00 AM
Venue: Transport House, Lahore

Questions & Responses

Question 1:

Regarding battery warranty for e-bikes, will the warranty be based on mileage (kilometers) or number of years?

Response:
The warranty of the e-bike battery shall remain valid based on number of years, irrespective of the kilometers driven. The warranty shall remain intact for the specified duration without limitation on mileage.

Question 2:

Will multiple-stage deliveries be allowed in case of bulk orders exceeding a certain quantity?

Response:
Deliveries will commence upon receipt of payment from the Bank of Punjab or other Commercial Banks, and the maximum delivery period allowed is 30 days otherwise delay will be penalized accordingly.

Question 3:

Will there be any specific color coding for e-bikes under the Government Scheme?

Response:
Yes. The e-bikes delivered under this scheme shall have a specific color branding/identity, the OEM/assembler/supplier is bond to provide the E-bikes as per the approved color / brand as the case may be, which will be finalized by the Cabinet later.

Question 4:

When will the scheme be launched and what will be its duration?

Response:
The scheme will be implemented in multiple phases and will span over a five-year period.

Question 5:

Manufacturers raised concerns regarding global supply chain disruptions due to regional conflicts. How will this be managed?

Response:
Yes, this concern has been acknowledged. Suppliers will be informed in advance regarding the exact number of bikes selected against their available models, enabling them to maintain a smooth and timely supply chain.

Question 6:

There are other e-bike schemes such as the Prime Minister Bike Scheme, Pakistan Accelerated Vehicle Electrification (PAVE) Program, and Education-Friendly Initiatives by the Government of Punjab. Will this scheme replace or merge with those programs?

Response:
This program is an independent scheme. The existing programs, including Prime Minister Bike Scheme, PAVE, and Education-Friendly Initiatives, will continue independently without any impact on each other.

Question 7:

Is this a government-funded program?

Response:
Yes. This is a government-subsidized program, implemented in collaboration with the Bank of Punjab or other Commercial Banks. The operational model will follow a mechanism similar to the E-Taxi Scheme.
