REQUEST FOR EXPRESSION OF INTEREST

The Punjab Clean Air Program (PCAP) is a flagship initiative by the Government of Punjab, supported by the World Bank. It aims to reduce ambient air pollution—especially PM2.5-by addressing emission sources in the transport, agriculture, and industrial sectors.
CMU-PCAP, P&D Board intends to hire the Individual Consultant as Senior Advisor for the Formulation of Punjab Growth Strategy for 2026-31**.** Qualification & Experience requirements are mentioned below:

Sr.	Position	Qualifications/ Experience/Skills
01	Individual Consultant for Development of TORs, for procurement of Consultancy Firm for Carbon Credit Monetization under PCAP	i. Master's degree in a relevant field such as environmental studies, economics, public policy, sustainable finance, or development. ii. At least five years of experience working in climate change, carbon markets, or related areas. iii. Good understanding of carbon finance and how carbon credits and market-based mechanisms work. iv. Experience in planning and managing climate or environment-related projects. v. Strong grasp of climate change issues, including key national and global policies and trends. vi. Ability to prepare clear, well-structured reports and documents to support decision-making. vii. Strong communication and writing skills, with the ability to explain technical topics in simple terms. viii. Awareness of the challenges developing countries face in accessing climate and carbon finance. ix.

The Term of Rerences (TORs) is enclosed with the last date of submission of CVs on or before December 02, 2025 (12:00 PM). The Individual Consultant will be selected as per World Bank Procurement Regulations using the limited competitive market approach.
